ABOUT SCHOOLMESH

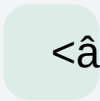

What is SchoolMesh?

SchoolMesh is a complete cloud-based school management platform that connects administrators, teachers, parents, and students in one intelligent system. It handles everything from admissions and attendance to finance and analytics.

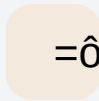

Cloud-Native

Access from anywhere. No hardware to maintain. Always up to date.

Multi-Tenant

Each school gets its own branded environment with independent data and settings.

Offline-First

Keep working without internet. Changes sync automatically when back online.
